Registered under Regulation No.III of 1904. Reg.No.840.

With the object of introducing some kind of enlightenment and bringing about some understanding and good will amongst its members, a Rajaput Assosiation was started in 1914. Until very recently its progress was slow. In 1926 January, however, this Association was revived under the auspices of Sree Badri Prapannacharya Swamijee, the Royal Guru of House of Rewa, and the scope of the Sabha was extended so as to include all Kshatria Rajaputs, Gowda Brahmins, Kayastas and Khatries, the Sabha being styled as "The Rajaput Upakarini Provincial Maha Sabha" Mysore. The Sabha has been registered (Registration No.840). This Sabha comprises of all class of Rajaputs of Mysore Province. It is being worked on constitutional lines; there are 151 current members at present

Our primary object has been to spread the benefits of Elementary Education and to rouse the spirit of organisation amongst the members of our community. Service to the country through strengthening the community; Service to the state by striving to produce honest and independent citizens is our motto. For this purpose, a night School with religious classes has been started for the community boys of whom eighty-two are already attending the School.

Instruction is imported in the three R's and the teaching of the mother-tongue Hindi (in addition to English and Kannada) is a special feature of this Insitution. Provision has also been made for the development in the physical aspect of the boys.

It is being organised to introduce Home Industries, such

There are six associations of the Mahomedans in the City (Vide Report of the Assistant Superintendent of Police, Mysore City, herein enclosed). Of these three including the one in question have appreciable membership. The other two are doing substantial work, but the objects of this association are wider in nature, though it has done little wor so far. The association in question has 300 members. The general body met once and the standing committee five times.

Rule (c) of Rules regarding Associations representing minorities lays down that when any minority has an association with branches or has two or more such associations, two or more of them may be grouped together.

Under para 4 of Government Order No.P.2396/Legis. 12-23-3 dated 7-11-1923, 15 seats are reserved for Mahomadans. If by general elections 15 seats are not secured by Mahomedans the claims of this association may be considered for electing a representative in amalgamation if necessary with Anjumani Refatul Islamia and Anjumani Ithehade Islamia.

(5) The Secretary Indian Christian Association, Mysore, who was called upon to report on the working of the Association has not so far replied and as such, I am unable to state anything in the matter.

The literature supplied by each Association is sent enclosed as per pherist.

attended by 82 boys. I recommend that the privilege of representation in the Representative Assembly may kindly be granted to this Sabha. The report on the working of the Sabha received from the Honorary Secretaries of the Sabha is herein enclosed for reference. In this connection, I may also state that a rival Sabha by name Kshatriya Prantik Sabha has sent up a letter opposing the claims of the Provincial Sabha in question. That letter is also forwarded for perusal. The claim of the Prantik Sabha cannot be considered as it id not apply within 12th March 1927 for the privilege and as it has been registered only so lately as December 1926.

(3) The Merchants' Association, Mysore.

This Association was started in September 1925 with the object of safe guarding the commercial interests of the Merchants. Its report does not show that it has been doing any appreciable work. This is an association representing special interest "Trade and Commerce". For the representation of this interest, "Mysore Chamber of Commerce" is recognised in App.IV of Government Order No. P.2394-Legis.12-23-1 dated 7-11-1923. The seven seats out of the 15 reserved for special interests are reserved for other interests i.e., exclusive of those previously mentioned in that Schedule. The Merchants' Association is not entitled to representation either on this ground or on considerations of its work which is not yet such as to justify recognition for a seat in the Representative Assembly.

4. Anjuman-i-Islamia.

This is a registered Association started about a year back for the education of Moslems, Social Reforms, safeguarding Muhamadan political interests. It was registered only so recently as 24th November 1926. There
